Dear parents, carers and families,

Just a short message today to wish everyone a safe and happy holiday! I really want to thank all staff and parents for working so well together this term to keep our children safe and to keep them learning! The term began in a less than ideal way with us all instructed to 'stay at home' again but we rose to the challenge and as a school community, the children, parents and staff did an amazing job of home learning.

It has been wonderful to welcome the children back to school and so many of them have settled back into familiar routines again really well. As a school we have planned a summer term with lots to look forward to; Mrs Roberts is organising a whole school art project – as well as an Art Day! We hope to be able to have a Sports Day, International Week and swimming as well as some of the other treats and fun activities we all enjoy in the summer term. You will be very familiar with me saying this now but I still must: all of our plans will depend on risk assessments and whether we are safe to do the planned activities...

During the summer term, all children will have the opportunity to take part in a whole school yoga programme for ten weeks. We hope this will be both enjoyable and beneficial for their physical and mental health as we continue to recover from the stresses and strains of the last 12 months.

Finally can I say a huge thank you to everyone who contributed to our Comic Relief fundraisers. Mrs Jackson has just paid £403 into the bank to them! A brilliant effort from everyone – well done 😊

I look forward to seeing you all in the summer term,

Take care, stay safe,

DR
