Dear parents, carers and families,

Our Y6 children have really enjoyed their secondary school taster days this week! It has been brilliant that the children have been able to visit their new schools and enjoy learning (and lunches!) before their move in September. If you have any questions or concerns about this, please do not hesitate to talk to class teachers or myself and we can communicate with the secondary schools if you wish.

It was of course lovely to welcome the new Y3 children from Chapel Street to join us on Tuesday this week when all the children had the chance to meet their new classes ready for next year. Again, all children seemed very happy in their new classes but do please contact us with any questions...

During the summer holidays, the school is having phase two of the re-wire completed. We need to be packed and organised for this and I am determined that there will be no days of learning lost due to the works! Can I ask that ALL reading books are returned to school by the last 'We LOVE to Read!' on **Thursday 14th July** at the latest to be checked and organised before being packed away before the works begin. It is essential that all books are returned to maintain our supply of good quality reading books.

Starting next Wednesday at **3.15pm** we will be selling 'pre-loved' items of school uniform for £1. They will be washed but unwanted (and un-named!) We hope that by selling these items at this time of year we can help with the burden of replacing school uniform in September. Please remember if your family circumstances have changed recently and you think you may be eligible for free school meals then please talk to Mrs Gallagher in the school office who would be more than happy to help. Families in receipt of free school meals will also receive a £50 voucher for uniform.

I hope we are able to enjoy a sunny weekend!

DR

David Reddy
