Dear parents, carers and families,

We have absolutely loved Sports Week this week! We are all a bit tired but it has been worth it...rounders, cricket and dodgeball tournaments as a warm up for our fantastic sports day yesterday and then a Friday fun-run to finish the week ☺

A BIG thank you to Mrs Bennett and the other staff who helped organise and manage the week. It was wonderful to see so many parents and grandparents cheering on the children in all the different events they were involved in. I am sure the children have mentioned how much they have enjoyed the many different activities and we hope we have inspired some children to be even more active – did you know the latest official guideline is for primary-aged children to have a minimum of 60 minutes exercise/physical activity every day?

There are lots of other activities and special events for the children to look forward to before the end of term; we hope you can join us at some of them. Please remember to keep a close eye on our Facebook page for updates and reminders. Next week our Y5/Y6 children will be heading off to Manchester for three days of amazing experiences, we are really looking forward to it! If any parents have any last minute questions or what to check anything at all, then please get in touch on Monday.

I had a lovely visit to Chapel Street this morning where I met our new Y3 children for September. As well as talking to the children and answering their questions, they saw a new video made by Mrs Bennett and the Y3 children and took home a personalised letter written by the Y5 children. We are looking forward to getting to know them on their many visits in the coming weeks!

Take care, stay safe,

*DR*
