Dear parents, carers and families,

The children have really had quite an amazing week here at school! We started the week with a visit from Monty (my collie!) who helped me explain to the children about the importance of taking care of your mental health and how there is a link to keeping active and feeling good! Walking him up Hoad every morning is helping both of us 😊

Each class has continued that theme this week with visits to the park and activities in the wildlife garden. Some of the Y5/Y6 children also continued our tree-planting project by planting 30 silver birch and downy birch trees yesterday.

Today, all the classes have enjoyed some fantastic science learning workshops with Science Made Simple. We were really pleased to be able to book these workshops and offer them to the children free of charge. The costs were covered by the generous donation from Orcina which we are really grateful for!

After the half-term holidays we will be offering different clubs and after school activities for the children – see the table below:

Monday	Y5/Y6 OnSide Sports Club £1 per session (£6)	4.15pm
Tuesday	Y3/Y4 Gymnastics Club Mrs Greaves	4.00pm
	Y5/Y6 Book Club Mrs Roberts	4.00pm
Wednesday	Y3/Y4 OnSide Sports Club £1 per session (£6)	4.15pm
Thursday	Y5/Y6 Lego Club Mr Reddy	4.00pm
	Netball Training Mrs Bennett	4.00pm
Please remember our normal After-School Club runs every evening until 5.30pm (5.00pm on a Friday)		

Please email Mrs Gallagher at: admin@grjs.cumbria.sch.uk if you would like your child to attend any of these clubs. We will confirm your child has a place by email. Take care, stay safe,

DR
