Dear parents, carers and families,

If you were lucky enough to see the uppers summer production this week, then I hope you are still tapping your feet! Although it has been three years since the children have performed in front of a large audience, they did a wonderful job! I was so proud to see all children involved in all the different parts of the production and I am sure you were too! A massive thank you to Mr Rigg and Mrs Roberts for supporting and encouraging the children to participate and for making such a good show for us all to enjoy 😊

Next week, we are saying goodbye to our current Y6 children...will we miss them? Absolutely! They have been a truly wonderful group of children that have totally embraced our Core Values here at school and have been, without exception, excellent role models to the younger children here in school. They are a happy, confident and caring group of young people whom I think will be successful in whatever their futures have in store for them!

School closes for the summer holidays on **Wednesday 20th July** at **1.30pm** for all children and will re-open **Wednesday 7th September**, with breakfast club provision for those who need it from 7.45am onwards.

I hope all families have the chance to enjoy themselves over the summer holidays and whether you are travelling near or far, I hope you enjoy your time together! It has been a fantastic year here at George Romney - with your help and support we have really been able to make our school a 'happy place to learn'!

Take care, stay safe,

DR

David Reddy
