Dear parents, carers and families,

It was wonderful to see and hear the children enjoying themselves today here in school! We had a great time raising money for the many children and families who are not as fortunate as us! We hunted red noses, pinned them on faces, sang our hearts out and completed games, quizzes and colouring sheets! It was a lovely way to finish what has been another successful week here back at school.

This week, in our virtual governors meeting on TEAMS, some of the staff presented a collection of the remote learning that the children had completed earlier in the term. It was an impressive and wide-ranging collection of pieces of work and the governors were very impressed with the remarkable range of learning and the fantastic way the children completed it! Thank you again to all the staff (and all the parents) who made the first part of the spring term a real success!

My inbox is empty! I was hoping by now Mrs Jackson and I would have a huge range of photographs to choose from! If you remember last week, I asked for any parents or other family members to send in any photographs they may have of themselves from 1981. We are hoping to celebrate the 40<sup>th</sup> anniversary of the school's opening next week on 26<sup>th</sup> March...So don't be shy, help us celebrate with a smile and some eighties glamour!

Take care, stay safe,

*DR*
