Dear parents, carers and families,

We have all enjoyed a wonderful first week back together here at school! I must admit...the sunshine has helped! Today your child should be bringing home a termly newsletter from the class teachers with some information about their learning and the other activities we hope to complete this term.

The Y3/Y4 children loved going swimming on Tuesday and it felt like a really positive first step in re-starting some of the activities we have been unable to do for over a year now! We are hopeful that with each step of the 'roadmap' we are able to allow the children to have more freedom here in school but of course we will be carefully assessing each step and considering their safety and the safety of families and staff too. We have provisional dates booked for activities such as sports week and Art Day – we just need to hope that progress remains positive...

This week I was invited to attend a Dalton Borderlands meeting and I am hoping that there will be some real and exciting opportunities for the children and families of the town over the coming months and years. Although in early stages, we would like your perspectives about the town and would appreciate if you could spend five minutes completing the following Survey:

<https://www.surveymonkey.co.uk/r/Daltononlinesurvey>

Here's looking towards a bright and happy summer term together!

Take care, stay safe,

DR
