25.02.22

Dear parents, carers and families,

It was wonderful to see so many parents in school this week! It really feels like such a long time since you were able to come in and talk about the most important part of our school – your children! The staff were delighted to see so many parents, those of you who were unable to attend last week will be contacted by class teachers to make sure we can set a suitable time and date to talk 😊

I am sure many of you know that next Thursday is World Book Day. This will be the 25<sup>th</sup> anniversary of the celebration of reading and we want it to be a great day! With the recent relaxation of Covid restrictions, we would like to open school to parents, carers, grandparents and families for a special 'We LOVE to read!' on Thursday morning. Visitors will be allowed into school from **9.00am-9.45am** for reading and then School Councillors will be serving tea, coffee and cakes in The Den for anyone who has time to stay and chat! As a school we will be asking children to dress as a book character and take part in a whole series of 'live lessons' with famous authors and illustrators...We will also be holding a book swap as well as giving out book tokens and allowing the children to choose one of the books we have bought to celebrate the day!

A couple of quick reminders; we are still looking for more children and their families to join our Street Tag team! The app can be downloaded using the QR code at the bottom of this letter, please make sure you register with the George Romney Junior School team. Also please remember school will be closed for all staff and children on **Friday 27<sup>th</sup> May** as this is the day we (and Chapel Street) are celebrating the additional bank holiday for the Queen's Jubilee.

Take care, stay safe,

*DR*
