Dear parents, carers and families,

Forty years is a long time! Some of us can remember what we were doing forty years ago...some of us were just mere twinkles in parents eyes!

We have really enjoyed ourselves today – a real celebration of our school and the community we are in, which is so important for all the children and families at the moment.

We were delighted to be joined on ZOOM by Mr Newnham today who told lots of amusing stories of his time here at George Romney – I know some of the parents will remember Mr Newnham and his unique way of teaching! The Y5/Y6 children enjoyed sharing his memories this morning and having the chance to ask him about the school from forty years ago!

As well as reflecting on the past and fond memories; we also looked to the future today and thought about what our school might be like in forty years time...the Y3/Y4 children really let their imaginations run wild! Thinking of the future, we also started to plant our 'Anniversary Orchard' one apple tree for each decade – something to look forward to and nurture in the coming years. There are plenty of photos from today and some additional 'blasts from the past' from our families on our school facebook page!

Please remember we are finishing for the Easter holidays on Thursday next week. School will close at the usual time of 3.15pm/3.30pm and after-school club will be available. School re-opens for the summer term on **Monday 19th April 2021**.

Take care, stay safe,

DR

David Reddy
(Headteacher)
