Dear parents, carers and families,

Next week we are looking forward to welcoming volunteers from the Woodland Trust and Furness Rotary here at school. They will be working with the children to help plant a new native hedgerow as well as some trees on site. We will become part of the new drive to plant more trees around Cumbria – something very important for our local environment and also for the national and global efforts to increase nature and biodiversity!

The following week is Children's Mental Health Awareness Week. In preparation for this week, School Council have been talking to their class about what activity their class would like to do to improve their well-being and good mental health. Each class is free to choose it's own activity (within reason!) – more details will follow next week 😊

We are planning on holding parent/teacher meetings in the week after the half-term holiday – please try to have some availability either **Tuesday 22<sup>nd</sup> February** or **Thursday 24<sup>th</sup> February**. Booking forms will be available next week.

Parents in Y5/Y6 will be pleased to hear we have been able to secure a three day residential to Manchester in the summer term! I was delighted by the positive responses we had before Christmas with the vast majority of parents supportive of us organising the visit. Specific details about the trip, payments and other information will be sent separately.

Take care, stay safe,

*DR*

David Reddy  
(Headteacher)

**A polite reminder: children should be able to remove their own earrings themselves for PE – or not wear them at all on PE days! Thank you 😊**
