Dear parents, carers and families,

Today has been a fantastic finish to a brilliant International Week! As I am sure you know, the children have been studying their different topic countries in depth this week...

They have all learnt new facts and information about their countries and I know they have developed their understanding of the culture and lifestyles too. This afternoon the school was full of interesting sights (and smells) as the children had a chance to taste some of the different foodstuffs from their countries. Y5/Y6 sampled some strong Ethiopian coffee; a wide range of freshly prepared fruits as well as hot, fresh, flavoured flatbreads made in the classroom. The lowers tried many flavours of Greece and the Mediterranean: olives, pitta bread, feta cheese, salads and sweet treats like honey and yogurt! Thank you to all the staff who organised the additional activities and food for this week – it has made it a really memorable day for the children!

We have just six weeks in school after the half-term holidays and we still are hopeful we will be able to have some of our 'normal' summertime treats such as Sports Week and Art Day. Please find attached to today's letter a message from Colin Cox for children and families around the current positive picture in Cumbria regarding Covid19; but the need to remain vigilant.

I look forward to seeing you all after the holidays!

Take care, stay safe,

DR

David Reddy
(Headteacher)
