Dear parents, carers and families,

Next week in school, we will be focusing on a national survey that has been organised by the new Children's Commissioner to be taken by every child in the country!

The project is called 'The BIG Ask' and was initially planned for before Covid-19, but now has even greater significance. Children will be asked to complete a simple survey online which asks them to score their thoughts and feelings about their lives and ambitions. Alongside the survey, there are resources for staff to use in class which help the children understand the importance of them having an opinion, learning how to share it and the good that can come of doing that. As you would expect, the survey is totally anonymous and none of your child's personal information is required or even part of the survey. There is also a parent/carer/teacher survey which you could complete if you wished to. For more information visit:

<https://www.childrenscommissioner.gov.uk/thebigask>

I hope you all manage to enjoy the Bank Holiday weekend, however you plan to spend it!

Take care, stay safe,

*DR*
