Dear parents, carers and families,

Many of you will be wondering about the re-opening of school given the recent announcements and speculation in the media. As schools, we received information last night about how we are expected to do this. During this week, I will be meeting with other headteachers and the local authority to talk about how we aim to do this considering the needs of our children and their families in our local communities. **I can assure you that at all times, your child's health, safety and well-being will be our most important consideration.**

I will contact all families with further details as soon as I have them.

Please continue to look after each other, take care and stay safe.

David Reddy
(Headteacher)
