05.06.20

Dear parents, carers and families,

Welcome to flaming June! It's just hail-stoned here this morning whilst I have been meeting with the staff online to discuss how the week has gone...I hope all our children and their families are staying safe and well – I can see from the many photos on our facebook page that lots of the children have enjoyed getting back into home learning this week after the half-term 'holiday'! Well done to Casey-Mai and Malachy – you are this week's STAT pupils 😊

It has been very positive to have re-opened school this week for our Key Worker children and we are getting all our systems in place ready for some of our Y6 children to begin a phased return from the week beginning 15.06.20 onwards. The building is very different and not quite as colourful, vibrant, lively (and noisy!) as normal. I am really grateful to all the staff who are doing their very best to keep Home Learning varied and interesting for all children. I am delighted to share with you that Mrs Roberts has been working hard to organise a virtual Art Day for the end of the month as we know how much the children love it! More details will be shared in the weekly Learning Letters and on our facebook page. We hope you have enjoyed trying some of the tasks at home. As I have always said, please contact the school if you feel you need any additional help or support and we will do our best to do so.

Thank you to all the Y6 children who wrote some excellent letters for their new secondary school. I am meeting with Dowdales staff next week and will be sharing them then.

Take care and stay safe,

DR

David Reddy
(Headteacher)
