Dear parents and families,

I am delighted that you have chosen George Romney as the next school for your child. Many of you will already know the school as you have had older brothers or sisters who have attended the school; some of you may not. I hope that during the summer term we will be able to make the change from infant to junior school as smooth as possible and ensure that everyone is looking forward to September!

We are really proud of the positive relationship between our two schools and we know from talking to parents that so many children thrive with the change and new challenge of starting at a new school, making new friends and enjoying new ways of learning. The last year has been a difficult time for all children and their families and we have all had to adapt, adjust and change the way we live and work. As the country continues along the 'roadmap' of recovery, we hope to be able to organise activities for your child as we have done so successfully in the past. I can assure you all that these will be fully risk assessed and in-line with Local Authority guidance.

Alongside the staff at Chapel Street, we have chosen dates and times when your child will be invited up to our school to enjoy finding out about the school and meeting all the staff and children. Although this can be an anxious time for some parents and families, we really want to make this a successful transition for your child so please do contact school and discuss any issues, no matter how small they may seem as soon as you wish. As well as chances for your child to visit school, we will be holding a Parents Evening at **6.00pm on Monday 5th July**. At this meeting you will be able to meet the staff, see and hear about the school and discuss any issues you wish relating to starting at George Romney.

In the meantime, please feel free to visit our website and facebook page to see more about how we learn and play together and find out why we are 'A happy place to learn'. We have created a short welcome video for the new children to view until they are able to visit face-to-face! I look forward to working with you on your child's next step of their learning journey.

Stay safe,
David Reddy
(Headteacher)
