27.04.18

Dear parents, carers and families,

This week, you should have received a flyer from School Council asking for your availability/ preferred time for their presentation they are planning for all about Healthy lifestyles – balanced diets. The children are very keen to hear back from you so please make every effort to return the flyers – thank you!

Linked to the work being done by School Council; we are currently developing the role of 'Health Ambassadors' here in school too. A group of Y5 children have been involved in a FESP (Furness Enterprise and Skills) project which will enable them to look into running their own after-school club for children (and adults!) to encourage a more active lifestyle! More news to follow soon...

Can I remind parents and carers that we often have spaces available in our after-school club for parents who require childcare until 4.30pm or 5.30pm. Although this can be often booked on the day, it is essential that the office know you are intending for your child to stay. If there is a regular day/time you need childcare for, this can be block booked in advance too. Thank you for your co-operation in this matter.

Please see some key dates below for the summer term!

David Reddy
(Headteacher)
