Dear parents, carers and families,

We have all enjoyed a good first week back at school after the half-term holiday! Lots of children really enjoyed the Halloween Disco on Monday evening after school...it was very loud and good fun! A big "Thank-you!" to Michelle Bamber for organising this event with the support of Chris and Bronte ☺

The Y3/Y4's have made a good start with their weekly swim sessions. Please remember we always appreciate adults walking to the baths with us at either 1.15pm or 1.45pm if you are free to join us!

Thank you for the many kind words and compliments about the school and all the staff on the parent questionnaires! We have also taken on-board some of the suggestions and so, as we have a lot of different activities and events between now and the end of term, here are some dates for your diary:
