Dear parents, carers and families,

Wow! Some weeks are just so busy! I am delighted to report back that our Y5/Y6 residential to Winmarleigh Hall was a great success 😊 Although this was the first time away from home for some of our children, they were all fantastic and supported each other through the visit whether in activities or play or simply helping each other in the dining room! I am so pleased the children were able to have this experience – I really think it does them good!

We were really pleased with our sporting achievements this week – our school won the silver in the Barrow Area Sport Partnership Pantathlon event at Furness College. Again, great teamwork and support for each other really paying off – well done!

By now, all parents should have their appointment times for the meetings next Monday and Wednesday. Staff are really looking forward to chatting to parents about the progress the children have made so far this year....

Finally, an early warning – World Book Day 2023!!! This year we are celebrating our love of books and all things to do with reading on **Thursday 2nd March**. Rather than buying or making costumes of book characters we are asking children to dress in something they can '*curl up and be cosy*' in. This may be pyjamas, onesies, oodles, dressing gowns – who knows! The point is they need to be comfy as they will be travelling around school and reading a lot! More details to follow soon.

Thank you for your continued support, I hope to see many of you next week in school during the meeting times,

DR

David Reddy
