Dear parents, carers and families,

Another busy and brilliant week here at George Romney! Wednesday was a really interesting day for the Y3-Y5 children as they had the opportunity to meet Andrew, Bernadette and June (a retired Guide dog!) from Vision Support in Barrow. This visit was interesting, informative and fun. The children had the chance to hear and consider about what life is like for people with limited or no vision.

We are hoping to welcome Vision Support back again to meet our Y6 children as they were out of school, busy learning and discovering about STEM (science, technology, engineering & maths) at the BAE SASK training centre. Again, they had a brilliant experience and returned to school enthusiastic and excited after a full day of hands-on activities!

Next week is another important time for all children as we are celebrating 'Anti-bullying Week'. The national theme is 'Make a Noise' which will include assemblies and additional lessons all about being a united front in not accepting bullying in any form and 'making a noise' or 'speaking up' for yourself or others – a really important life-lesson!

The week finishes next Friday of course with BBC Children in Need. We would like your help to support this most worthwhile national charity to help all children. Next week we will be selling spotty biscuits at break time (20p); Pudsey badges and Pudsey pens (£1) and we would of course encourage children to dress-up/wear spots for a donation on **Friday 17<sup>th</sup> November!**
