Dear parents, carers and families,

You would have been very proud of your children today during the Remembrance Assembly. Every child was quiet, thoughtful and respectful as we paused for a moment to consider the sacrifices made by our armed services and their families as a result of conflict. I would like to thank Mr Hunt for coming into school on Wednesday to talk to the Y3/Y4 children about histime in the Royal Navy – the children were really interested and asked lots of questions.

Monday is Odd-Socks Day! It is a way of children (and staff!) showing their awareness and support for National Anti-Bullying Week. This year's theme is 'Reach Out'. We will be reminding the children about the importance of showing kindness to all members of our school community and helping those who need help and reassurance.

A reminder that we will be selling Pudsey and Blush pin badges for £1 in school next week as well as Pudsey wristbands. Each day of the week we will also be selling spotty biscuits for 20p each at morning break. All the money from this will go to supporting our Children in Need appeal next Friday when children can enjoy a non-uniform day for a donation to this very worthwhile cause.

I am delighted to announce we have just appointed a new parent governor following our recruitment drive recently. Hellen McMurdo has joined our governors and I am sure will be a great asset to the team!

Finally a reminder to anyone interested, the UlverSTEM event is happening tomorrow at UVHS. It will be a great way to spend a few hours, finding out about science, technology and engineering with fun activities and events to join in with!

With every good wish,

*DR*

David Reddy
