Dear parents, carers and families,

I hope your child is able to answer the question 'What did you do at school today?' The whole school had an extended maths enrichment opportunity and all children in all classes had the chance to work on a range of activities, puzzles, problems and challenges! It was wonderful to walk around school this morning and see and hear how excited (and challenged!) the children were. We talked about the importance of being determined (one of our Core Values) and showing resilience and not giving up! I honestly think that everyone had some success at different times and the children enjoyed the tasks and will remember what they have learnt today 😊

Mrs Gallagher and the Christmas Fair planning group are well on track to make sure we have a fantastic fair this year! Just in case you haven't heard, our Christmas Fair is here in school on **Friday 8th December**. We are starting at **2.30pm** and it will be amazing! We are hoping for lots of support from children and their families and the money we raise will go towards improving our OPAL toys and activities.

We are having a non-uniform day on **Friday 1st December** and asking that in return children and families make a donation to the fair if possible. As in previous years we have themed the donations:

- ✓ *Class 1: sweet treats and chocolates*
- ✓ *Class 2: toiletries*
- ✓ *Class 3: candles and small gifts*
- ✓ *Class 4: bottles*

Thank you in advance for your support!
With every good wish,

David Reddy
(Headteacher)

Please remember to order
Christmas cards via ParentMail!
