Dear parents, carers and families,

Hopefully you will have already seen some photos of all the different types of learning and investigations the whole school have been up to today! It was wonderful to visit every classroom and see the children being challenged for Maths Enrichment Day! I know that maths isn't everybody's favourite but the teachers were very creative with the way that they organised the learning and it certainly made the children think!

Today you will have received a letter from Michelle Bamber, the chair of 'Friends of George Romney' group. We are really looking forward to our first Christmas Fayre in three years! Please remember that children are invited to come to school in non-uniform in exchange for a donation for the Christmas Fayre on **Wednesday 30th November – THANK YOU!!!**
