Dear parents, carers and families,

I must begin today by thanking lots of people... Firstly, thank you to all the children and families who were brilliant in supporting our Macmillan Coffee Morning today – your generous donations and attendance was greatly appreciated! Next, our new School Council – today was their first duty – welcoming and hosting the Coffee Morning which they did really well! As well as smiling and being polite, they didn't spill a single drop of tea or coffee whilst delivering their table service 😊 Next, a big thank you to all the staff who generously baked, bought and donated cakes and treats for this morning; they were delicious! Finally Mrs Gallagher, who once again took on the organisation and overseeing today – we wouldn't have had such a successful event without you!

We don't actually have a final total to share yet as we have more cake to sell on Monday. If you wish to send a small donation on Monday, we will be sharing the remaining cakes and then we will work out the grand total. Congratulations to Frankie's mum for winning the 'Afternoon Tea for Two' kindly provided by Charnleys; congratulations to Dion for winning the giant chocolate chip cookie and a special thank you to Leo and Kai's dad who won the bottle of whiskey and has kindly offered it as a prize for future fund-raisers!

A reminder to all families that as the summer slips away into autumn, we are encouraging all children to bring wellies and waterproof trousers to school to allow us to continue to use our field and grass areas. We have so many great activities now thanks to the OPAL play project that we don't want children to miss out as the weather turns...

If anyone has any spares to donate, we would be very grateful 😊

With every good wish

David Reddy
