Equality Policy: School Profile September 2023

There are 44 boys and 45 girls currently on roll. 83 of these are White British and we have 6 children from a range of other backgrounds and ethnicities. One child's first language is Romanian, one child has Russian as first language; one child speaks Cantonese and English at home; one child speaks Japanese and English at home and all the other children speak English as a first language.

There are two accessible toilets in the school, one on each of the different levels/areas of school. Ramps have been installed around the school exterior to enable easier access between the lower and upper junior areas. Handrails have been installed adjacent to all steps in school to help children and visitors with access. There is also a ramp installed by the exterior door of the ICT suite. We have an allocated parking space in the car park.

Our curriculum has been designed around the needs of our children. Through our teaching we provide learning opportunities that enable all pupils to make progress. We do this by setting suitable learning challenges and responding to each child's different needs. Assessment against our curriculum allows us to consider each child's attainment and progress against end of year expectations at several checkpoints throughout the year. Other tests/assessments are completed for specific individuals to provide 'fine level' data in order to assess progress.

We have a school council which consists of elected members from each class, currently 4 boys and 4 girls, with deputies.

The school have considered potential barriers to learning for all children – this is monitored through the 'Vulnerable Children Matrix' on a termly basis. There are currently 29 children on the matrix.

There are currently 18 children accessing SEND provision in school and 6 children with a funded early health care plan.

There are 25 Pupil Premium funded children in school; 22 of whom are currently eligible for FSM. There are 7 children who are considered 'disadvantaged' and also have an identified area of SEND.

We have 1 child who is looked after by the Local Authority.

We have several children in school with specific medical issues; all with individual healthcare plans.
