

Support for parents and carers of children and young people with SEND

If parents and carers feel they would like some impartial information, advice or support on any issues relating to their children's special educational needs and disabilities (SEND), they can contact the Cumbria SEND Information, Advice and Support Service (SENDIASS) who can offer a range of support. We will help parents, carers and young people to prepare for meetings with schools or the local authority and practically support them at the meetings in an appropriate and impartial manner. We can also signpost to other relevant support networks.
